Item 3600-001-0200—Augmentation for Drought Activities

LAO Compromise Provisional Language

Provision X. Of the funds appropriated in this item, up to \$3,400,000 shall be available for 21st Century Monitoring and \$1,000,000 shall be available for drought activities associated with the San Joaquin River Restoration. These funds may only be expended to the extent that an equal amount of matching funds are provided by other beneficiaries of these activities, including but not limited to the United States Bureau of Reclamation and the State Water Project.
