^a At UC and CSU, 1 FTE student represents 30 credit units for an undergraduate and 24 credit units for a graduate student. At CCC, 1 FTE student represents 525 contact hours per year, which on average generates about 24 credits.

^b Reflects funded enrollment levels.

^c Reflects 2 percent systemwide growth plus 0.7 percent enrollment restoration (certain districts earning back slots they had lost within the last three years), offset by a projected 1.3 percent reduction in districts with declining enrollment.

^d Includes juris doctor (JD) program only. Non-JD programs do not use residency classifications.
