Item 7350-001-0001—Department of Industrial Relations
Recommended Supplemental Report Language
For Labor Code 2810**

June 12, 2008

We recommend adopting the following supplemental report language:

Labor Code 2180 Violation Protocol. To the extent possible, the department shall update the Legislature at budget hearings on (1) the number of times violations of Labor Code 2810 were pursued, (2) the number of times violations of Labor Code 2810 were suspected but not pursued, (3) the justification for not pursuing potential violations, and (4) any suggested changes to the proposed protocol.
