# **Key Decisions in Restructuring the K-12 Finance System**

---

**L E G I S L A T I V E   A N A L Y S T ' S   O F F I C E**

Presented to:  
Assembly Budget Subcommittee No. 2 on Education Finance  
Hon. Susan A. Bonilla, Chair

## Basic Design Decisions

---

- Decide Basic Finance Structure**
  - Weighted student formula.
  - Block grants.
  
- Establish Base Rates**
  - Target base rate.
  - Grade-span adjustments.
  
- Set Supplemental Rates for Certain Student Groups**
  - Targeted student groups.
  - Identification measures.
  - Time limits.
  - Rates.
  
- Determine Concentration Funding**
  - District or school-based funding.
  - Concentration thresholds.
  - Charter school issues.

## Other Funding Decisions

---

### **Decide How to Fund Special Activities**

- Class size reduction.
- Career technical education.
- Transportation.
- Facility maintenance.

### **Decide How to Address Special Characteristics**

- Necessary small schools.
- Basic aid districts.
- Regional differences.

## **Additional Considerations**

---

### **Establish Spending Requirements**

- District spending plans.
- Supplemental funds for supplemental services.
- List of allowable activities.
- Link to performance.

### **Devise Way to Monitor Whether Requirements Are Being Met**

- Plans, expenditures, and/or outcomes.
- District or school-based.
- Oversight entity.
- Consequences.

### **Build Transition Plan**

- Trade-offs with other K-12 funding priorities.
- Hold harmless provisions.
- Allocation priorities.
- Implementation timeline.

## **Design Decisions Affect Overall Funding Levels for Individual Districts**

---

### **Governor's Proposal Would Change Overall Funding Levels**

- Current system benefits certain districts based on historical factors.
- Governor's proposal would benefit districts with high proportions of English learner and low-income students.

### **Changing Design Components Would Change Overall Funding Levels**

- Increasing the base rates.
- Decreasing supplemental rates.
- Raising concentration thresholds.
- Including more special activities.
- Adjusting phase-in period.
