Totals		\$3,901	\$2,574	\$6,475

^a Largely federal funds, with some special funds.

^b Assumes community colleges spend about 30 percent of apportionment funding on core adult education areas.

^c \$25 million is one-time funding for a data collection and reporting system.

^d Reflects first-year funding for three-year, \$900 million grant program.

^e Reflects funding for all wraparound services, which include workforce education and training.

^f One-time funding to extend program an additional year.

^g Grants awarded directly to providers. Amount reflects grants to public agencies in California. It excludes grants to private providers (nonprofit agencies and labor unions).

^h Funded through sale of CalPIA goods.

CCC = California Community Colleges; CDE = California Department of Education; DSS = Department of Social Services; CDCR = California Department of Corrections and Rehabilitation; CDR = California Department of Rehabilitation; Corps = California Conservation Corps; WIOA = Workforce Innovation and Opportunity Act; EDD = Employment Development Department; Energy = California Energy Commission; and CalPIA = California Prison Industry Authority.
